About Us

MUSETTE is located along Leng Kee road, former Thye Hong Biscuit confectionery factory, Thye Hong Centre. Musette is known for its robust coffee. A casual bistro that served western brunch classic with Asian flair.

MUSETTE - "A small lightweight cotton shoulder bag, containing food and drink given to riders in a feed zone during a cycle race."

MUSETTE will soon be your favorite meeting place whether you are on or off the bike.

A place where you can end a long ride, catch up with friends, and meet others that share your passion. It's a place to call a mid morning group stop or meeting, to refuel before pressing on. A place for friends of cycling, lovers of good coffee and good food.
